Professional Education Student Ambassador Program

Overview:
The Student Ambassador program is a leadership opportunity for current students who would like to serve as representatives for UConn School of Engineering’s Professional Education program. Student Ambassadors not only benefit other students in the program, but also the companies that our students are involved in.

Engagement Opportunities (including but not limited to):
• Participate in virtual orientation
• Represent the program at virtual webinars and Lunch & Learns or Information Sessions
  o Lunch & Learns or Information Sessions to be arranged at Ambassador’s place of employment
• Open to outreach from prospective, new, current students and alumni about the program

Preferred Qualities:
• Outgoing, responsible, and motivated
• Helpful and willing to work as a team
• Interested in making the most of their UConn experience
• Eager for opportunities to interact with other students in a distance learning/online graduate program
• Committed to strengthening the Professional Education graduate student community

Requirements:
• At the time of application, preference is given to students who have completed at least 6 credits in the program
• Currently hold and maintain a cumulative GPA of 3.0 or higher
• Must have previously attended a Professional Education virtual orientation or be willing to attend one in preparation for duties
• Willing to provide a written or video recorded testimonial to be posted on our website
• Willing and able to commit to the Student Ambassador program for at least 1 year

Benefits:
• Help improve the overall student experience
• Opportunities to network with other Professional Education students
• Attend Lunch & Learns or Information Sessions to network and display leadership at present company
• Strengthen resume
• Increased networking and profile in the Connecticut engineering community for both you and the organization you represent

Deadlines:
Interested students must submit the application by 11:59 PM, Friday, February 26th.
We will announce selected Student Ambassadors via email by March 5th. Students will start their Ambassador duties immediately and will continue for one year, with the possibility for extension until graduation from the program.
If you have any questions or concerns, please contact Kacey Pilver, Program Assistant for the School of Engineering Professional Education program at kacey.pilver@uconn.edu.

Get Creative: We are always looking for new ways to enhance the student experience, so we welcome your ideas!
